East Gull Lake, MN 56401

Tourism and Area Attractions

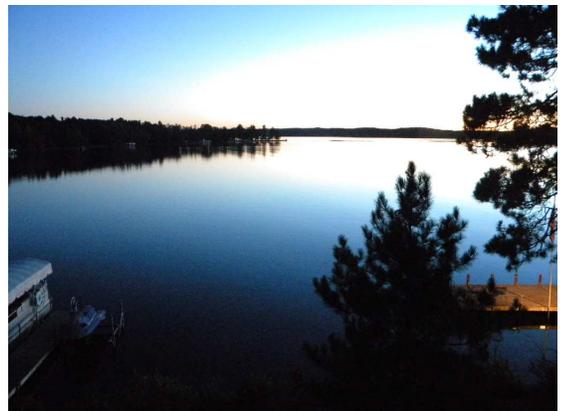

Gull Lake lies six miles north of Brainerd in Cass County and Crow Wing County – one of the largest lakes in the Brainerd area. There are a total of seven Gull Lakes in Minnesota, but Gull Lake of Brainerd is the largest in area and shoreline.

Basic Lake Stats:

- Surface Water Area: 9,418 Acres
- Shore length: 38 miles
- Maximum length: 15 miles
- Maximum width: 2 miles
- Maximum depth: 100 ft.
- Median depth: 30 ft.

Gull Lake is part of the Gull Chain of Lakes, a collection of eight connected lakes and connecting channels covering 13,000 acres. There are over 2,500 homes on the chain that are both year round and seasonal.

Gull Lake is fifteen miles long and is ideal for swimming, May to September and is also excellent for fishing, water skiing, boating, or sailing. Gull Lake Resort is centrally located between Brainerd and Nisswa (10 Miles) and is convenient to many attractions, casual or fine dining locations, horseback riding, and a Federal dam with Indian Burial grounds.
